

# Mustang Rodeo Days!

Go Mustangs! Go!

Mt. Pleasant Public School is great for many things but one thing Mt. Pleasant has that probably no other school has is... MUSTANG RODEO DAYS! Mustang rodeo days are so fun the school has rodeo days every last Friday of the month, the teachers give out awards to students for special things like improvement, bus patroller of the month etc. But that isn't the end of Rodeo Days! The whole day is fun we have movies or dances or do fun activities! The first rodeo day was tons of fun because for starters the School Student President speeches were held which was fun cause' the students got to vote! Sam. V won for president and Coven won vice president!

The younger watched a movie first and after them the older kids did the same right after! The younger ones watched Shrek the final chapter, and the older ones watched Star Trek! It was loads of fun and to top it all off we had pizza for lunch! Yummy!!!!

The last rodeo day was a lot more fun though because it was Halloween! So we had our Halloween dance! It was really cool because they had a lot of contests for things like funniest, scariest, best homemade and more and whoever thought they had the best costume for these categories and the students would vote but clapping and screaming it was fun, but my throat hurt after...

I'm really excited for future rodeo days and I am pretty sure that rodeo days makes our school a lot better than it already is, which I thought was impossible.... I guess not! At Mt. Pleasant school is actually fun!!

Go Mustangs! Go!!!!
