

The Christmas countdown

Student Reporter: Alex V.

Wow! December already? You better have gotten your events chocolate Calendars! Great because there are many important days to be festive!! Such as hat day, red green and white day, Christmas bizarre, food drive, and a Christmas movie for Mustang Rodeo Day!! Oh, I almost forgot, DON'T forget the Christmas concert on December 16th so practice, practice, practice!

Christmas is a very special time. Some people say it is when Jesus is born so Christmas is a time to celebrate and appreciate each other by giving and taking. That's why we are doing the food drive. If we could all just bring at least one can of food, we could feed SO many families that need it. The thing about Christmas is giving and expecting nothing in return, and it's the thought that counts.

There's only one week left till Christmas break on December 20th to the 31st, So let's spread that Mt. Pleasant spirit, Mustangs!!
